

APPLICANTS' INTERVIEW SUMMARY UNDER 37 C.F.R. § 1.133

Claims 1-34 are pending in the application and stand rejected. Applicants thank the Examiner for courteously conducting an interview with Applicants on September 18, 2008 and September 19, 2008.

During the interview, the finality of the Office Action issued on August 20, 2008 was discussed along with Applicants' position regarding the claimed language of "automatically" and "plurality of frames," as recited in claims 1, 4, 11, 13, 16, 17, 19, 25 and 33.

It was agreed that the Examiner would issue a Non-Final Office Action (if the rejection was to be maintained), in which the claim language discussed above would be considered.

Applicants respectfully ask the Examiner to promptly consider the present application in order to expedite prosecution thereof.

If this paper is not timely filed, Applicants respectfully petition for an appropriate extension of time. The fees for such an extension or any other fees that may be due with respect to this paper may be charged to Deposit Account No. 50-2866.

Respectfully submitted,
